T rue happiness lies in living life the way you want to. Having the freedom to eat what you like, visit the places you yearn for the most and in general staying worry-free about your health and living your life to the fullest. In a way, it's not such a big ask. But in reality, it's hardly that way. Health issues arise as part of this sought-after freedom. We, at Religare Health Insurance (RHI), believe that these small hurdles should stay small and not, in any way, take away your freedom to live the life you want. Precisely why we introduce Care Freedom - a comprehensive health insurance plan that will not just cover your health, but go beyond.

Our philosophy

Life's uncertainties are inevitable. And that's the case with health too. You don't choose to fall ill; it's the other way round. And illness means expenses. Of course there are health policies, but to take one in the first place, you have to go through stringent medical evaluation tests. Also, if you have any pre-medical history, your chances of getting a health insurance diminishes considerably. In such cases, you'll end up with a negligible or almost no health cover. Given the rising medical expenses, such a situation is nothing short of scary. And that's where this plan of Care Freedom promises to take proper care of you. It will provide you access to the best healthcare facilities to put you back on the road to recovery, without worrying about medical bills and other related expenses. In other words, we will take the worry out of your recuperation. With us and Care Freedom by your side, it is truly Health and Freedom, Hamesha!

Domiciliary Hospitalisation

Despite suffering from an illness/disease/injury (which would normally require care and treatment at a hospital), hospitalisation may not be possible - perhaps your state of health is such that you are in no condition to be moved to a hospital, or a room may not be available. Don't worry, we understand that and are happy to let you know that under 'Domiciliary Hospitalisation', we will reimburse the medical expenses incurred by you during your treatment at home, as long as it involves medical treatment for a period exceeding 3 days and had actually merited hospitalisation.

Consumable Allowance

It all adds up! A trip to a hospital involves more than just using the doctor's services and hospital facilities. You are bound to incur numerous 'non-medical' expenses such as consumables, transportation, attendant's cost and other daily expenses that you may not be able to even foresee. To meet these expenses, we pay 'Consumable Allowance' - a lumpsum per day for each day of hospitalisation.

Recharge of Sum Insured

A refill is always welcome! Get automatic recharge of Sum Insured if claim amount exhausts your coverage limit, at no extra cost. The recharged Sum Insured can be used by other insured members under the same policy for any future claim. The claimant can also use the recharged Sum Insured for any future claim, not related to the ailment already claimed during the same year.

Health Check-up

Under this plan, you get Annual health check-up for all insured members, covered as adults, regardless of claims history. This includes Complete Blood Count with ESR, Urine routine, Blood Group, Fasting Blood Sugar, Lipid Profile, Kidney Function Test, ECG.

Longer Policy Term

To make the process of renewing your health insurance more convenient, choose a policy with a term of one, two or three years. What's more! Avail a discount on your premium if you opt for a 2-year policy term or a 3-year policy term.

Tax Benefit

Opting for health insurance is certainly a step in the right direction, and it comes with a two-fold benefit. Not only does it ensure that you and your family can access good medical care at all times, it also enables you to avail a tax benefit on the premiums you pay towards your health insurance, as per prevailing tax laws of the Income Tax Act, 1961.

(Tax Benefits under the policy will be as per the prevailing Income Tax laws and are subject to amendments from time to time. For tax related queries, contact your independent tax advisor.)

Free look period

We have your best interests at heart and at the same time recognise that you know your needs best. Hence, after purchasing the policy, if you find it unsuitable, you can cancel and return the policy to us. Our policies come with a free-look period of 15 days from the date of receipt of policy. If no Claim has been made under the Policy, we will refund the premium received after deducting proportionate risk premium for the period of cover & stamp duty charges, as applicable.

The edge of new-age

- **Companion Benefit** – We will pay an additional lumpsum amount if the insured person is admitted to a Hospital and the period of stay is more than 10 consecutive days.
- **Dialysis Cover** – We will cover Dialysis expenses by paying a fixed amount per sitting, payable upto 24 months.
